**Introduction of members**

Members introduced themselves to each other and Chair Smith.

**Youth Leadership Institute Letter of Support**

The Committee discussed past presentations by the Youth Leadership Institute. Cynthia Rocha, Youth Leadership Institute representative, spoke about what their goal is for window signage and wall signage regarding unhealthy products. The Committee discussed their ability to update the code and how the City would enforce the code. The Committee asked what the youth's involvement in the project is. Ms. Rocha said that the youth did the assessment, spoke about if they felt safe. Committee asked about the funding grant. Ms. Rocha said the grant ran out, but they are going to continue the project. The Committee decided they would like to see voluntary compliance from business owners. Committee asked for kids to present next time and to target the convenient stores to see if they would comply voluntarily.

Committee gave direction to have the youth speak to the convenience stores and to report back. Maybe have representatives from the stores here also. The Committee said they are concerned that we are taking public safety committee time to discuss public health issues. The Committee said this may be best heard by the Planning Commission.

**Other Business**

The Committee discussed the possibility a Klass Kids event next year. If so planning needs to start in September. The committee said they would like this on the agenda for next meeting. The Committee also discussed community watch signs.

**Adjourn-** At 5:09pm Chair Smith adjourned to next meeting, as decided by the Committee as July 11, 2017 at 4pm.
